SENATOR GOODRICH: Because we just passed 834 and we can't pass both of them.

SENATOR KENNEDY: Well, we could pass them off of General File, couldn't we.

SENATOR GOODRICH: No. Not in my book we couldn't

PRESIDENT: Senator Kennedy are you through? Does the Chair understand then that you...Senator Carpenter you have objected to unanimous consent to bracketing the bill. Senator Carpenter. You are objecting by unanimous consent to bracketing the bill? On General File, is that right? All right, Senator Goodrich you will have to move then.
